A PRAYER FOR WATER

God of overflowing promise, you call for justice and mercy to run over like living streams, and made water a sign of your ultimate righteousness.

Reborn through the waters of your grace, we hear with new ears the cries of our neighbors; parched hearts and arid earth plead for reprieve.

Move us in our response to all who thirst, that we and they might receive your water, poured out for all, that none would be forsaken.

Amen.
THANK YOU!
