

Options for Purchasing Drawstring-style Backpacks for LWR School Kits

The selected backpacks below come within an acceptable range of LWR's required 17" X 14" dimensions for School Kit bags. These bags have been chosen from larger lists offered by the vendors for size, fabric type, style and sturdiness. This list is not comprehensive but is intended to provide some resources for those kit-makers looking for purchasing options for drawstring-style backpacks. All options are based on vendor availability. Non-sale prices are listed; check each vendor for sale prices.
