

WHEN EVERYTHING IS LOST, YOU CAN ENSURE HOPE ISN'T.

**How your congregation
can help neighbors
in crisis.**

80

years of loving
our neighbors

Since 1945, congregations like yours have been a lifeline for our neighbors in crisis near and far...

WHO WILL YOUR LOVE REACH NEXT?

Your congregation's generosity helps neighbors with their **immediate and urgent needs following a disaster**. But it also supports the **longer-term needs** that happen in the aftermath as those impacted struggle to rebuild and recover in communities that have been destroyed. This longer-term help empowers communities to become stronger and better prepared for future disasters.

As you plan your year-end giving, will you consider a special **80th anniversary gift** to help your neighbors find the hope stolen by disaster?

\$10,000 Houses **50 families** for a month.

\$7,500 Sends medical supplies for **100 neighbors** in places where access to lifesaving health care is greatly limited.

\$2,000 Feeds **10 families** of four for a week in the aftermath of an emergency.

\$_____ Any gift continues your **Lutheran legacy of love.**

HOW TO GIVE

Mail a check to **Lutheran World Relief**, PO Box 17061, Baltimore, MD 21297-1061.

The dollar amounts listed represent the actual average cost of providing the respective service. Your gifts contribute to the entire mission of Lutheran World Relief, to be used where the need is greatest.

📍 Oklahoma

Congregations like yours provide life-sustaining support, including emergency food assistance, and dignity to those recovering from tornadoes throughout the U.S.

📍 South Sudan

Because of congregations like yours, critical medical care extends to our hardest-to-reach neighbors and provides hope for mothers like Nyadech in South Sudan who have faced armed conflict and extreme weather changes.

The need is great, but so is your congregation's love.

Dear Partner in Ministry,

Thank you for leading your congregation to be a **beacon of hope** for neighbors in need.

We are living in unprecedented times. Funding shrinks while needs grow. Crises are more frequent, disasters more severe and conflict touches more lives than ever.

Yet, I remain hopeful — because of your partnership.

When floods devastated central Texas, **help reached our neighbors within hours.** How? Because the support of congregations like yours enables us to respond where and when we are needed most.

For 80 years, Lutherans have been a light for those grappling in darkness. **Will you continue this legacy of love** until we reach every neighbor?

In gratitude,

REV. LISA KIPP
