## LET YOUR LOVE FLOURISH AND JOIN

# Partners in Lasting Promise

**At Lutheran World Relief, we envision a future where everyone, everywhere, can live full, dignified lives.**

It is a hope we have held onto fiercely since 1945, in the aftermath of World War II, when our forebearers in faith began this legacy of love. It is a vision that persists today because of generous donors like you, who boldly proclaim their faith through compassionate service to others.

**At Lutheran World Relief, planned giving makes this future possible.**

A gift in your will is a powerful act of Christian stewardship. It protects your loved ones and the causes that you cherish most — while ensuring your faith-driven values make a lasting difference.

We call those who include Lutheran World Relief in their estate plans **Partners in Lasting Promise**, an exclusive society of our most dedicated supporters. **Partners in Lasting Promise** are the architects of brighter futures and bring us all closer to the world we envision.

### WILL YOU JOIN US?

Gifts in wills mean neighbors facing malnutrition receive lifesaving food — and learn to grow nourishing crops in a changing climate. Families reeling from disasters gain safe shelter and clean water while reducing risk and building resilience.

Showing kindness to strangers is not a path everyone follows. Sharing your resources requires a sacrifice many will not make. Opening your heart to someone else's sorrow is a discomfort few will bear. **Partners in Lasting Promise** are those rare individuals who choose compassion over convenience, serving as Christ's hands and feet to instill hope to neighbors in crisis.

*Dyed pink from mat making, these hands now hold Pabanbati steady — because planned gifts like yours lifted her up first.*

**Having a will is critical** and ensures your intentions are honored. Without one, state laws — not your wishes — decide how your estate is divided. But **creating a will needn't be stressful**. We offer several **free resources** to guide you.
