Gifts of Love

Let's come together this Christmas.

Christmas draws people together — with family, friends and traditions that remind us what matters most. **The 2026 Gifts of Love Christmas Catalog offers a meaningful way to celebrate by sharing hope with families around the world.**

Inside, you'll find thoughtful gifts that help families raise farm animals, grow nourishing food, access clean water, support their children's education and build secure livelihoods. Each one is a practical expression of love and a reminder of what we can accomplish when we come together.

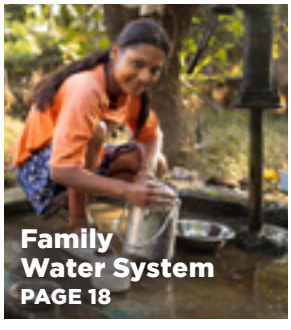

Every gift you give can make a real difference. And you can even give in honor of someone special. **Thank you for joining us and sharing the hope, joy and love of Christmas with our neighbors.**

Majok and Nyagak love the blessings this pair of goats brings. Your gifts can help more families like theirs.

URGENT NEED

Goats are a source of lasting blessings for families in need.

Goats are one of the most meaningful gifts you can give to a family living in poverty. A hardy goat can survive in parts of the world where other farm animals can't. Goats are easy to care for and to breed. And in addition to nutritious milk and cheese, goats provide rich manure to fertilize crops. That means families can grow more and better food to eat and sell. Goats truly are a terrific choice for helping to provide families with a lasting source of nutrition and income. Your gift will be a tremendous blessing!

1 Goat	$100
2 Goats + 1 Hen & 6 Chicks	$240

Hens & Chicks equip a family to succeed.

Besides providing nourishing eggs, chickens are also easy to breed. And families can sell chicks and eggs for extra income, helping them build greater stability and independence. For each hen you give, the family will also receive six chicks!

1 Hen & 6 Chicks $80

"I really see that God is answering our prayers. I keep praying that God should continue to uplift me and bless my farm." — **Suzan, Uganda**

Milk & Eggs help break the cycle of poverty.

For families in the world's poorest places, the gift of milk and eggs means a reliable source of nutrition and income, too. Your gift of one goat, three hens and 18 chicks will provide essential nutrition for a family. And they can sell their surplus to pay for important needs like school fees and medical care.

A Lasting Source of Milk & Eggs $220

GREATEST IMPACT

A Herd of Hope creates positive change that lasts.

This is a big idea that has an even bigger impact. Give a herd of hope and you will provide years of lasting blessings for families in need. This herd of helpful animals is a great source of nutritious milk and eggs to help keep children and adults healthy and strong. They also provide wool and fertilizer.

As the animals multiply, so will the fruits of your compassion, as families have more and more surplus to sell for much-needed income. Your gift includes two goats, two sheep, two piglets, one hen and six chicks.

Goats are our most requested Gift of Love, for so many reasons.

A goat is truly a lifesaving gift. If drought wipes out a harvest, a family who owns goats can sell them and earn enough to buy the food they need to survive. These hardy animals are easy to care for and breed. And besides milk, goats provide manure to fertilize crops, so families can grow more and better food. Give a goat and help save a family from going hungry.
