

# A SEASON OF HOPE

Maria Teresa Jesus receives an LWR Personal Care Kit in San Jose, Honduras, following Hurricanes Eta and Iota. The community suffered an outbreak of COVID-19 earlier in 2020. Local health officials hope LWR Personal Care Kits will help to curb another outbreak while people are displaced due to the storms.

This Lent, we're putting God's love in action by making Lutheran World Relief Personal Care Kits. The loss and uncertainty of COVID-19 hit our poorest neighbors around the world even harder. We ourselves are restless after a year of wandering in the wilderness of a pandemic. We want to be the hands and feet of Christ for our siblings. We're ready to DO something, and are excited to engage in this project as a community during our Lenten journey this year.

**We will be assembling these kits at home during the 5 weeks of Lent. Here's what you will need:**

**2 BARS OF SOAP\***  
(4 to 5 oz., any brand, in original wrapping)

**1 BATH TOWEL\***  
(light-weight, maximum 52" x 27", dark color recommended)

**1 TOOTHBRUSH\***  
(adult size, in original packaging)

**1 COMB\***

**1 NAIL CLIPPER\***  
(metal, attached file optional)

Complete assembly instructions are available at [lwr.org/lent](http://lwr.org/lent).

We invite you to make assembling these kits part of your weekly observance of Lent. We will bless the completed kits as a community of faith during worship at the end of the project.

By assembling LWR Personal Care Kits, we help share God's love, and create a Season of Hope for our neighbors around the world.
