

10 Ways to "Live Generously"

WITH

THRIVENT ACTION TEAMS AND LWR!

THRIVENT ACTION TEAMS allow you to support the work of **LUTHERAN WORLD RELIEF** while taking part in a fun and meaningful service activity. Thrivent Action Teams start with an idea and your commitment to address an unmet need!

All Thrivent benefit members are eligible to lead a fundraiser, service activity or educational event that can be completed within 90 days up to two times per year. Associate members are eligible for one Action Team per year.

Once you are approved to lead a team, Thrivent will send you a Thrivent Action Team Kit and up to \$250 in seed money to purchase supplies and promotional materials for the volunteer activity.

WANT TO GET INVOLVED? **HERE ARE 10 IDEAS TO GET YOU STARTED!**

- 1 Bring together people of all ages to **create LWR Mission Quilts or Fleece Tied Blankets** with materials purchased by the seed money. You'll provide comfort and hope to people living in poverty around the world.
