

2025 FALL INGATHERING SEASON

NEW YORK | NEW JERSEY

We are so grateful for our Quilters and Kit Makers! Your compassionate service is at the very heart of Lutheran World Relief. Your faith in action brings hope and comfort to those in need and creates a lasting impact for our neighbors, no matter how far.

In 2024, your love stitched more than 370,000 quilts, bundled nearly 320,000 kits, and embraced countless families in 16 countries, including the United States.

Your gifts have surrounded those suffering unimaginable loss after disaster in the **U.S.** They have ensured new mothers in **Madagascar** can clothe and care for their babies, and that the education of children in **Honduras** isn't disrupted by a simple lack of supplies.

You are a **beacon of hope** to our **most vulnerable neighbors**, shining **God's light** in a world of increasing need.

THANK YOU!
