

# GOD GIVES PEACE...

# (WE GIVE PIGS)

Lutheran  
World  
Relief

**GOD GIVES US PEOPLE WHO HELP PROTECT PEACE AND PLACES OF QUIET TO ENJOY IT.** Today we opened the gift of a **PIG** and learned about Ina in Indonesia who is teaching her son how to raise pigs.

*Colossians 3:15 – And let the peace of Christ rule in your hearts, to which indeed you were called in the one body. And be thankful.*

**PRAYER:** God, thank you for the gift of **PEACE** and all those who protect it in our lives like (*ask each family member to name someone who brings peace to your lives*). Help this family to be peaceful to all of our neighbors near and far, and enjoy that peace by sharing what we have with those in need. AMEN!

**FAMILY ACTIVITY:** Music is one of the most popular ways that people experience peace in their lives. This week, share music in your house that creates a feeling of peace. Learn about music from countries like Indonesia, Kenya or El Salvador. At the end of the week share your family's Peaceful Playlist with other families in your congregation.

Ina is a 27-year-old farmer from the village of Binaka, on Nias Island in Indonesia. In 2008, she received pigs through her local Lutheran World Relief (LWR) project.

Ina also received training on how to care for her pigs and make sure they stayed healthy. She even learned how to make food for her pig to grow strong. The LWR project also helped Ina keep her pigs vaccinated to protect them from diseases.

Two years later, not only did Ina have her original, healthy pig but also eight piglets! She sold four to the market last year and used the profits to support her family. She also donated pigs to her church and is teaching her young son to care for a pig of his own.

**Giving Pigs is just one way we “give good” to our brothers and sisters overseas with LWR Gifts.**

Lutheran World Relief  
SUSTAINABLE DEVELOPMENT. LASTING PROMISE.
